

FOR YOUR SAFE TENNIS AT NTFC

Please help NTFC to keep you safe and to enable NTFC to stay open for your tennis by following the Rules, Regulations, Policies, and Guidelines mandated by the PA Department of Health, CDC, Bucks County Board of Health, and USTA.

- Wear a mask at all times while you are in NTFC. The sole exception is when you are playing tennis.
- Social distance at all times.
- When you enter the building, use the hand sanitizer or the sanitizing towels on the front desk.
- Enter the building no more than 5 minutes before your court time.
- Please leave the building directly after you finish playing tennis.
- The locker rooms are available. The showers are not.
- Spectators or parents waiting for junior tennis players either in the lounge area or the coffee room, with regret, cannot currently be permitted. This policy is done for everyone's safety.
- Only individuals with an NTFC Fitness Membership are permitted in the Fitness Center.

Common sense and a demonstrated courtesy to all other NTFC tennis players will enable all of you to enjoy the 2020-2021 Tennis Season. Your observation of the above Rules and Regulations will hasten a return to the old/past normal world of tennis at NTFC.

Thank you for playing safe tennis at NTFC.
